Thank you for choosing us as your healthcare provider. It is our mission to provide you with an exceptional patient experience and return you to your activities as quickly and safely as possible. Please help us in our mission to provide high quality, integrated care by adhering to the following policies while in our facility:

1. **Check-in** – Check in at the front desk prior to each appointment. Your copay will be collected prior to your appointment and will make a copy of your insurance card.
2. **Check-out** – All patients must check out after each appointment regardless of if a follow-up appointment is necessary.
3. **Copays** – Your copay is due at the time of your appointment. If you do not have your copay, your appointment will be rescheduled. If your insurance changes during the course of your treatment let us know right away so you do not get billed for any unpaid balances.
4. **Referrals** – If your insurance requires a referral, it is your responsibility to bring it with you. You will be responsible for payment of your office visit if you do not have it.
5. **Appointment Times** – If you are 10-15 minutes late for your appointment time, you may be asked to reschedule your appointment. If you know in advance you will be running late, please call and let us know. Being early is helpful, but it does not mean you will be taken back early.
6. **Monitor Children** – If you do bring children to your appointment, we ask that you supervise them and do not leave them alone in the waiting room.
7. **Cell Phones** – Refrain from using your cell phone during your appointment when you are with physician, clinician or other member of our staff.
8. **Form Fee** – There is a \$15 fee for all disability or FMLA forms that need to be completed by a doctor. Allow 5-7 business days for your form to be completed. You will be contacted when they are ready.

**INSTRUCTIONS:** When other than the Snellen chart is used, give test results in Snellen-comparable values. In recording distance vision, use 20 feet as normal. Report visual acuity as a ratio with 20 as numerator and the smallest type read at 20 feet as denominator. If the applicant wears corrective lenses, these should be worn while visual acuity is being tested. If the driver habitually wears contact lenses, or intends to do so while driving, sufficient evidence of good tolerance and adaptation to their use must be obvious. **Monocular drivers are not qualified.**

**Numerical readings must be provided.**

**7. PHYSICAL EXAMINATION**

Height: \_\_\_\_\_ (in.) Weight: \_\_\_\_\_ (lbs.)

The presence of a certain condition may not necessarily disqualify a driver, particularly if the condition is controlled adequately, is not likely to worsen or is readily amenable to treatment. Even if a condition does not disqualify a driver, the medical examiner may consider deferring the driver temporarily. Also, the driver should be advised to take the necessary steps to correct the condition as soon as possible particularly if the condition, if neglected, could result in more serious illness that might affect driving.

Check YES if there are any abnormalities. Check NO if the body system is normal. Discuss any YES answers in detail in the space below, and indicate whether it would affect the driver's ability to operate a commercial motor vehicle safely. Enter applicable item number before each comment. If organic disease is present, note that it has been compensated for. See *Instructions to the Medical Examiner* for guidance.
